RE: Deuel County; Statement of Federal Nexus & Financial Disclosure

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Deuel County Nebraska project C25 (60 & 63) in the Fiscal Year 2026. The entity to receive funding for this project is Deuel County, located at 718 Third Street, Chappell, Nebraska 69129. The funding would be used for road construction. The project is an appropriate use of taxpayer funds because it benefits all the taxpayers with safe access to and from the county.

The project has a federal nexus because the funding provided is for purposes authorized by SS 133. Surface transportation block grant program. (b) Eligible projects – funds apportioned to a State under section 1041(b)(2) for the surface transportation block grant program may be obligated for the following. (1) Construction of (A) highways, bridges, tunnels, including designated routes of the Appalachian development highway system and local access roads under section 14501 of title 40.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jim Reichman, Chairman Deuel County Board of Commissioners
